

ANNOUNCEMENTS

OCTOBER MEETINGS

Oct. 10–11. Robert S. First Conference: The New Microbiology. Washington, D.C. Info: Robert S. First, 707 Westchester Avenue, White Plains, NY 10604

Oct. 11. Today's Profit Opportunities in Biotechnology. Philadelphia, PA. (Also Nov. 15 in Houston, TX.) Info: Consulting Resources Corp., 6 Northbrook Park, Lexington, MA 02173

Oct. 15–17. Human Hybridomas and Synthetic Peptides: Horizons in Clinical Medicine. Kauai, Hawaii. Info: Daniel Watanabe, Registrar, Interface: International Conferences, 1212 Cedar Post, Suite D, Houston, TX

Oct. 18–19. 1st European Seminar on Computer-Aided Molecular Design. London, U.K. Info: Helen Raquet, Oyez Scientific and Technical Services, Bath House (3rd Floor), 56 Holborn Viaduct, London EC1, U.K.

Oct. 21–25. 1984 TNO-ISIR Meeting on the Interferon System. Heidelberg, F.R.G. Info: TNO Corporate Communications Dept., P.O. Box 297, 2501 BD, The Hague, The Netherlands

NOVEMBER MEETINGS

Nov. 1–2. International Conference on Investment in Biotechnology. London, U.K. Info: See for Oct. 18–19.

Nov. 8–10. High-Technology Route to Virus Vaccines. Houston, TX. Info: See for Oct. 15–17.

Nov. 25–Dec. 1. Fifth International Congress of Culture Collections. Bangkok, Thailand. Info: Robert E. Stevenson, Chairman ICCCV, American Type Culture Collection, 12301 Parklawn Drive, Rockville, MD 20852

EXECUTIVE CHANGES

Applied DNA Systems (Pittsburgh, PA) elected to its board Donald M.

Bachman, chairman of the New York State Housing Finance Agency, and Arnold L. Demain, professor of industrial microbiology at the Massachusetts Institute of Technology.

Alfa-Laval (Fort Lee, NJ), a subsidiary of Alfa-Laval AB, named Bjorn Fagerstrom president to succeed Ragnar Beyer.

Synbiotics Corp. (San Diego, CA) named Theodor Heinrichs, former chief executive officer of Miles Laboratories and Cutter Laboratories, to its board of directors.

IQ (Bio) Limited (Cambridge, U.K.) appointed Roger Cox commercial director and Ian Bagster sales and marketing manager. Cox had been with the British Technology Group, and Bagster with the Unilever Medical Products Group.

Bio Recovery Technology (Jersey City, NJ) elected Martin H. Meyerson president and chief executive officer to replace Robert H. Gow.
