ERRATUM

Persistent DNA damage signalling triggers senescence-associated inflammatory cytokine secretion

Francis Rodier, Jean-Philippe Coppé, Christopher K. Patil, Wieteke A. M. Hoeijmakers, Denise P. Muñoz, Saba R. Raza, Adam Freund, Eric Campeau, Albert R. Davalos and Judith Campisi

Nature Cell Biol. **11**, 973–979 (2009); published online 13 July 2009; corrected after print 24 August 2009

In the version of this article initially published online and in print, the labelling of the radiation doses in Fig. 1a was reversed. The correct version of this figure is shown below. This error has been corrected in both the HTML and PDF versions of the article.

CORRIGENDUM

Axin determines cell fate by controlling the p53 activation threshold after DNA damage

Qinxi Li, Shuyong Lin, Xuan Wang, Guili Lian, Zailian Lu, Huiling Guo, Ka Ruan, Yanhai Wang, Zhiyun Ye, Jiahuai Han and Sheng-Cai Lin

Nature Cell Biol. **11**, 1128–1134 (2009); published online 23 August 2009; corrected after print 28 August 2009

In the version of this article initially published online and in print, the word Tip60 was incorrectly used instead of Pirh2 in the legend for Fig. 2b. This error has been corrected in the HTML and PDF versions of the article.

CORRIGENDUM

In the September Research highlight ‘mRNA decay turns on apoptosis’ a couple of sentences have been changed to the following: “This effect requires the activation of its endoribonuclease activity. Based on recent structural data, chronic ER stress could induce IRE1 α higher order oligomers, which may display a higher promiscuity towards mRNA.” This has been corrected in both the HTML and PDF versions of the article.

ERRATUM

Multivesicular bodies associate with components of miRNA effector complexes and modulate miRNA activity

Derrick J. Gibbins, Constance Ciaudo, Mathieu Erhardt and Olivier Voinnet

Nature Cell Biol. **11**, 1143–1149 (2009); published online 16 August 2009; corrected after print 8 September 2009

In the version of this article initially published online and in print, the images in the left column were not included in the merge column. The correct version of this figure is shown below. This error has been corrected in both the HTML and PDF versions of the article.
