

## ERRATUM

## Interrogating viral capsid assembly with ion mobility–mass spectrometry

Charlotte Uetrecht, Ioana M. Barbu, Glen K. Shoemaker, Esther van Duijn and Albert J. R. Heck

*Nature Chemistry* 3, 126–132 (2011); published online 19 December 2010; corrected after print 23 July 2014.

In the version of this Article originally published, the trace for cp<sub>4</sub> was missing from Fig. 3a; it should have appeared as shown below. This has now been corrected in the online versions of the Article.
