CORRIGENDUM

Orthogonal tandem catalysis

Tracy L. Lohr and Tobin J. Marks

Nature Chemistry 7, 477–482 (2015); published online 20 May 2015; corrected after print 1 June 2015.

In the version of this Perspective originally published, Figure 2a should have depicted the conversion of CO₂ to formic acid and on to a formate ester. The corrected reaction pathway is shown below. This error has now been corrected in all online versions.
