

Erratum: Activate lattice oxygen redox reactions in metal oxides to catalyse oxygen evolution

Alexis Grimaud, Oscar Diaz-Morales, Binghong Han, Wesley T. Hong, Yueh-Lin Lee, Livia Giordano, Kelsey A. Stoerzinger, Marc T. M. Koper and Yang Shao-Horn

Nature Chemistry **9**, 457–465 (2017); published online 9 January 2017; addendum published after print 23 June 2017; corrected after print 21 December 2017.

In the version of this Article originally published, a typographical error meant that the unit on the *y*-axis label of Fig. 3b incorrectly read 'mA cm_{disk}²'; it should have read 'mA cm_{oxide}²'. This has been now corrected in the online versions of the Article.
