ERRATUM

A biocompatible condensation reaction for controlled assembly of nanostructures in living cells

Gaolin Liang, Hongjun Ren and Jianghong Rao

Nature Chemistry **2**, 54–60 (2009); published online 17 December 2009; corrected after print 18 January 2010.

In the version of this Article originally published, in Fig. 1b the groups labelled R¹ and R² were switched. This has now been corrected in the HTML and PDF versions of the Article.
