

## ERRATUM

## The role of satellite remote sensing in climate change studies

Jun Yang, Peng Gong, Rong Fu, Minghua Zhang, Jingming Chen, Shunlin Liang, Bing Xu, Jiancheng Shi and Robert Dickinson

*Nature Clim. Change* **3**, 875–883 (2013); published online 15 September 2013; corrected after print 27 September 2013; 2 December 2013.

In the version of this Review Article originally published, the temperature anomaly trends for RSS and UAH in Fig. 2b,c should have been positive values. These errors have now been corrected in the online versions of the Review Article. In the previous corrigendum, the mass balance of glaciers in the Karakoram region should have read  $0.11 \pm 0.22 \text{ m yr}^{-1}$ .

## CORRIGENDUM

## The role of short-lived climate pollutants in meeting temperature goals

Niel H. A. Bowerman, David J. Frame, Chris Huntingford, Jason A. Lowe, Stephen M. Smith and Myles R. Allen

*Nature Clim. Change* **3**, 1021–1024 (2013); published online 21 November 2013; corrected after print 2 December 2013.

This Perspective was published online earlier than that stated in the print version; the online versions show the correct date of 21 November 2013.
