A compromise to break the climate impasse

Marco Grasso and Timmons Roberts

Nature Climate Change **4**, 543–549 (2014); published online 8 June 2014; corrected after print 2 October 2014.

In the version of this Perspective originally published, reference 20 contained a typographical error and should have read: Purdon, M. Neoclassical realism and international climate change politics: moral imperative and political constraint in international climate finance. *J. Int. Relat. Dev.* **17**, 301–338 (2014). This error has now been corrected in the HTML and PDF versions of the Perspective.
