Temperature impacts on economic growth warrant stringent mitigation policy

Frances C. Moore and Delavane B. Diaz

Nature Clim. Change **5**, 127–131 (2015); published online 12 January 2015; corrected after print 28 January 2015

In the version of this Letter originally published, in equation (1) and in the explanatory sentence following the equation, j_{TFP} should have read r_{TFP} . In the second line of the equation, $j_{\text{DJO},i,t}$ should have read $r_{\text{DJO},i,t}$. These errors have been corrected in the online versions of the Letter.
