Nature Communications 3:1169 doi: 10.1038/ncomms2179 (2012); Published 6 Nov 2012; Updated 6 Jun 2013

This Article contains a typographical error in equation (2). The expression (x^{2-1}) should be written $(x^2 - 1)$. The correct version of equation (2) appears below.

$$H = \frac{|c|}{4} [x^2 + (x^2 - 1) \cos \theta_s] + \frac{q}{2} (1 - x) \quad (2)$$
