Androgen deprivation therapy: progress in understanding mechanisms of resistance and optimizing androgen depletion

William P Harris, Elahe A Mostaghel, Peter S Nelson and Bruce Montgomery

Nature Clinical Practice Urology (2009) **6**: 76–85 [doi:10.1038/ncpuro1296]

CORRIGENDUM

In the Review by Harris *et al.* published in the February 2009 issue of *Nature Clinical Practice Urology*, the competing interests information was incorrect. The correct competing interests information should read 'PS Nelson has declared associations with the following company/organization: GlaxoSmithKline. B Montgomery has declared associations with

the following companies/organizations: Cougar Biotechnology and GlaxoSmithKline. See the article online for full details of the relationships. The other authors declared no competing interests.' PS Nelson has acted as a consultant and received grant/research support from GlaxoSmithKline. B Montgomery has received grant/research support from GlaxoSmithKline as well as Cougar Biotechnology.
