

A User's Guide to the Human Genome

T G Wolfsberg, K A Wetterstrand, M S Guyer, F S Collins & A D Baxevanis

Nature Genet. **32**, 1–79 (2002).

doi:10.1038/ng977

Owing to a production error, Figure 11.2 was inadvertently inserted in place of Figure 12.2 in both the print and online PDF versions of the *User's Guide*. The screen in the full text version online is the correct Figure 12.2, and is pictured here.

Figure 12.2
