

## Corrigendum: A cytosolic pathway for MHC class II–restricted antigen processing that is proteasome and TAP dependent

Mona K Tewari, Gomathinayagam Sinnathamby, Deepa Rajagopal & Laurence C Eisenlohr  
*Nature Immunology* 6, 287–294 (2005).

On page 289, the top row of **Figure 3a** did not include error bars for the primary B cell columns S3 and NA79. The correct **Figure 3a**, including all error bars, is below.
