

A critical role for the cytoplasmic tail of pT α in T lymphocyte development

Aifantis, I. *et al.*

Nature Immunology **3**, 483–488 (2002).

In the May issue of *Nature Immunology* some text—in the Methods, paragraph 2, line 9—was printed incorrectly. The correct sequence for pT α TML α is 5'-ATCCGCGGGCACTACAGGAGCACATCGAGC-3'.
