

Integrating HIV testing into immunological studies of non-HIV-related diseases

Siske S Struik, Caroline A Maxwell, Mwele Malecela-Lazaro, Sue Eckstein, John D H Porter & Eleanor M Riley
Nature Immunology 6, 423–426 (2005).

The photo credit for **Figure 2** on page 425 is incorrect. It should read “C. Drakeley” along the right edge and, in the legend, “Used with permission from C. Drakeley.” *Nature Immunology* regrets this error.
