

## ERRATA

**Review of *My Life in Science*, by Sydney Brenner**  
Sidney Altman

*Nature Med.* 7, 1276 (2001).

Page 1276, the name of coeditor Errol Friedberg is misspelled.

**Prolonged survival and decreased abnormal movements in transgenic model of Huntington disease, with administration of the transglutaminase inhibitor cystamine**

M.V. Karpuj, M.W. Becher, J.E. Springer, D. Chabas, R. Pedotti, S. Youssef, D. Mitchell & L. Steinman

*Nature Med.* 8, 143–149 (2001).

Page 143, the two URLs in Methods are incorrect. The correct URLs are given below.

<http://rana.stanford.edu/software>

<http://waldo.wi.mit.edu/MPR/software.html>

**Small molecule insulin mimetics reduce food intake and body weight and prevent development of obesity**

E.L. Air, M.Z. Strowski, S.C. Benoit, S.L. Conarello, G.M. Salituro, X.-M. Guan, K. Liu, S.C. Woods & B.B. Zhang

*Nature Med.* 8, 179–183 (2001).

Page 179, the affiliation of author K. Liu is incorrect. The correct affiliation is below.

Department of Medicinal Chemistry, Merck Research Laboratories, Rahway, New Jersey, USA

We regret these errors.

## CORRECTION

**Hyperglycemia induces apoptosis in pre-implantation embryos through cell death effector pathways**

K.H. Moley, M.M.-Y. Chi, C.M. Knudson, S.J. Korsmeyer & M.M. Mueckler

*Nature Med.* 4, 1421–1424 (1998).

Page 1424, the table in Fig. 3c is incorrect. The correct table is shown below.
