

CORRIGENDUM

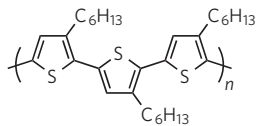

Spin routes in organic semiconductors

V. Alek Dediu, Luis E. Hueso, Ilaria Bergenti and Carlo Taliani

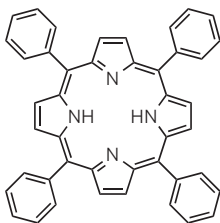

Nature Materials **8**, 707–716 (2009); published online: 1 September 2009; corrected after print: 11 September 2009.

In Table 1 on page 709 of the above Progress Article, the structures for the compounds poly(3-hexylthiophene) (RRP3HT), tetraphenylporphyrin (TPP), pentacene, rubrene and copper phthalocyanine (CuPc) should have appeared as shown below. These errors have been corrected in the HTML and PDF versions.

RRP3HT

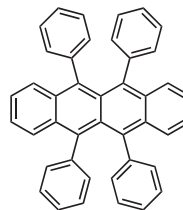

TPP

Pentacene

Rubrene

CuPc
