Corrigendum: Deep tissue two-photon microscopy

Nat. Methods **2**, 932–940 (2005).

The wrong reference (ref. 24) was mistakenly provided for the work on second-harmonic imaging of membrane-potential changes. The correct reference 24 is:

Moreaux, L. *et al.* Electro-optic response of second-harmonic generation membrane potential sensors. *Opt. Lett.* **28**, 625–627 (2003).
