Corrigendum: A photoconvertible reporter of the ubiquitin-proteasome system *in vivo*

Geert Hamer, Olli Matilainen & Carina I Holmberg

Nat. Methods 7, 473–478 (2010); published online 9 May 2010; corrected after print 17 June 2010.

In the version of this paper originally published, a reference to previous work on the use of Dendra2 as a reporter for protein stability in cultured cells should have been included (ref. 35). The error has been corrected in the PDF and HTML versions of the article.
