

Erratum: Efficient site-specific integration in *Plasmodium falciparum* chromosomes mediated by mycobacteriophage Bxb1 integrase

Louis J Nkrumah, Rebecca A Muhle, Pedro A Moura, Pallavi Ghosh, Graham F Hatfull, William R Jacobs Jr & David A Fidock
Nat. Methods 3, 615–621 (2006).

In the version of this article originally published, **Figure 3e–h** appears in black and white because of a production error. The color version of this figure has now been substituted in the version of the paper available online.

In addition, in the original version of **Figure 3a**, the pLN-ENR-GFP plasmid was incorrectly labeled with *attB* when the black box should indicate *attP*. The errors have been corrected in the HTML and PDF versions of the article.
