

Correction

In the version of the Commentary 'Opportunities and challenges for quantum dot photovoltaics' originally published (*Nature Nanotech.* **10**, 994-997; 2015), refs 25, 26 and 31 should have been '<https://mitei.mit.edu/futureofsolar>', '<https://www.irena.org>' and 'www.picon-solar.de', respectively. Corrected in the online versions 16 February 2016.
