

Correction

In the Commentary 'Nano-imaging with STORM' (*Nature Photon.* **3**, 365–367; 2009), the author name and volume number of reference 28 were incorrect and should have been:

Pavani, S. R. P. *et al. Proc. Natl Acad. Sci. USA* **106**, 2995–2999 (2009).

Corrected in the HTML and PDF versions, after print: 2 July 2009.
