

Correction

In the News & Views 'How the heaviest electrons pair up' (*Nature Physics* **9**, 458–459; 2013), reference 5 contained a typographical error and should have read Das, T. *et al. Phys. Rev. B* **87**, 174514 (2013). This has now been corrected in the online versions after print 1 December 2014.
