

Erratum: Tree mortality: Large trees losing out to drought

Michael G. Ryan

Nature Plants 1, 15150 (2015); published online 6 October 2015; corrected 9 October 2015

In the original version of this News and Views, the caption of the photograph was incorrect. The trees shown are piñon pines (*Pinus edulis*) in the Jemez Mountains of New Mexico, USA. This has been corrected.
