Neuropsychopharmacology (2012) **37**, 1973; doi:10.1038/npp.2012.26

Correction to: *Neuropsychopharmacology* (2012) **37**, 1517–1525; doi:10.1038/npp.2011.337; published online 8 February 2012

In this article, there is an error in the last sentence of the abstract. The sentence should be as follows: We provide a

new working hypothesis of a neurocognitive mechanism by which MPH reduces socially disruptive behavior. We also provide novel evidence of catecholamine mediation of social learning.
