

Conserving wild genes of *Coffea arabica* in the rainforest of SW Ethiopia

Nature Precedings : doi:10.1038/npre.2011.5870.1 : Posted 1 Apr 2011

Molecular variance
 Among regions 8%
 Among stands 21%
 Within stands 72%

Forest coffee system
 3 wild genotypes

Semi-forest coffee system
 only 1 semi-wild genotype
