Not many of
“us” doing ONS.
I had few examples.
No clue what I'm doing.

WELCOME TO MY LAB NOTEBOOK

DISCLAIMER: NOT A BLOG

Welcome to my open lab notebook. This is the active, permanent record of all my scientific research, standing in place of the traditional bound lab notebook. It is a record of ideas, and intuitions; results and mistakes. Please bear in mind that the notebook is primarily a tool for me to do science, not communicate it. I write my entries with the hope that they are intelligible to my future self; and maybe intelligible to my
