CORRIGENDUM

Non-coding RNA production by RNA polymerase III is implicated in cancer

Lynne Marshall and Robert J. White

Nature Reviews Cancer **8**, 911–914 (2008)

We, the authors of this article, would like to make the community aware of a retraction that relates to some of the data discussed in our Progress article. On pages 912 and 913 of this article, we summarized findings that related specifically to reference 33. The paper cited by reference 33 — Marshall, L., Kenneth, N. S. & White R. J. Elevated tRNA^{Met} synthesis can drive cell proliferation and oncogenic transformation. *Cell* **133**, 78–89 (2008) — has now been retracted [[Cell retraction notice](#)]. We deeply regret this circumstance and apologize to the community.
