Cangrelor for ACS—lessons from the CHAMPION trials

David P. Faxon

Original article *Nat. Rev. Cardiol.* 7, 124–125 (2010); doi:10.1038/nrcardio.2009.247

In the March 2010 issue of *Nature Reviews Cardiology*, the final line of the standfirst in the News & Views article by David P. Faxon should read “The CHAMPION PLATFORM trial, however, did show a significant reduction in death and stent thrombosis suggesting a benefit in those without clopidogrel pretreatment.”
