Arrhythmias in 2015: Advances in drug, ablation, and device therapy for cardiac arrhythmias

Laurent Macle and Stanley Nattel

Nature Reviews Cardiology **13**, 67–68 (2016)

In the version of this article initially published online and in print, Figure 1 incorrectly showed the ablation catheter passing through the aorta, instead of directly from the right to the left atrium. The error has been corrected for the HTML and PDF versions of the article.
