ERRATUM

Modern approaches to HLA-haploidentical blood or marrow transplantation.

Christopher G. Kanakry, Ephraim J. Fuchs and Leo Luznik

Nature Reviews Clinical Oncology **13**, 10–24 (2016)

The numerals presented in Table 2 “Relative advantages and disadvantages of each approach to haploBMT” were incorrectly formatted as non-bold numerals in several places in the print version of this article. This error has been corrected in the online versions of the article.
