**RETRACTION****Are circRNAs involved in cancer pathogenesis?***Carlo M. Croce**Nature Reviews Clinical Oncology* <http://dx.doi.org/10.1038/nrclinonc.2016.113> (2016)

I wish to retract the News & Views article 'Are circRNAs involved in cancer pathogenesis?' (*Nat. Rev. Clin. Oncol.* <http://dx.doi.org/10.1038/nrclinonc.2016.113>; 2016), owing to irreconcilable differences with the journal editors over correction of the text. Carlo M. Croce
