

## ERRATUM

## Cancer metabolism: a therapeutic perspective

Ubaldo E. Martinez-Outschoorn, Maria Peiris-Pagés, Richard G. Pestell, Federica Sotgia and Michael P. Lisanti

*Nature Reviews Clinical Oncology* **14**, 11–31 (2017)

Owing to a typesetting error, the final line of text in Box 3, and the abbreviation lists for Tables 2 and 3 were omitted from the print and the online pdf versions of this article; for Table 3, the abbreviation list was also omitted from the online html version. These errors have now been corrected in the online pdf and html versions of the manuscript.
