Antibiotic resistance breakers: can repurposed drugs fill the antibiotic discovery void?

David Brown

Nature Reviews Drug Discovery 14, 821–832 (2015)

The article contained incorrect information regarding the susceptible bacteria and clinical trial phase of the aztreonam–avibactam combination, and incorrect nomenclature for *Salmonella enterica* subsp. *enterica* serovar Typhimurium. These errors have been corrected in the online version of the article.
