CORRIGENDA

Multi-targeting by monotherapeutic antibacterials

Lynn L. Silver

Nature Reviews Drug Discovery **6**, 41–55 (2007); doi:10.1038/nrd2202

On page 48, the sentence “MprF mutants fail to add lysine to membrane phosphatidylglycerol, presumably decreasing the negative surface charge of the membrane⁹⁰.” should read “MprF mutants fail to add lysine to membrane phosphatidylglycerol, presumably decreasing the positive surface charge of the membrane⁹⁰.”
