A holistic approach to targeting disease with polymeric nanoparticles

Christopher J. Cheng, Gregory T. Tietjen, Jennifer K. Saucier-Sawyer and W. Mark Saltzman

Nature Reviews Drug Discovery **14**, 239–247 (2015)

In Box 1 on page 241, BIND-014 was described as being loaded with doxorubicin, when it is in fact loaded with docetaxel, as described in Table 1 on page 242. This has been corrected in the online version.
