Maternal thyroid function in pregnancy — a tale of two tails

Alex Stagnaro-Green and Joanne Rovet

Nature Reviews Endocrinology 12, 10–11 (2016)

In the original published article, the sentence “Another concern is that despite exquisite control for multiple confounders, the analysis did not adjust for sex of the child, even though sex is known to be associated with both nonverbal abilities and brain size,” should not have been included. This error has been corrected in the HTML and PDF versions of the article.
