Tuning gene expression to changing environments: from rapid responses to evolutionary adaptation

Luis López-Maury, Samuel Marguerat and Jürg Bähler

Nature Reviews Genetics **9**, 583–593 (2008)

In the above article, the legend for figure 2 on page 588 contained an error: 'Factors depicted in red are negative regulators, whereas those in green are positive regulators.' The text should be: 'Factors depicted in red are positive regulators, whereas those in green are negative regulators.' We wish to apologize to readers for any confusion caused.
