Radiation enteropathy—pathogenesis, treatment and prevention

Martin Hauer-Jensen, James W. Denham and H. Jervoise N. Andreyev

Nat. Rev. Gastroenterol. Hepatol. **11**, 470–479 (2014); doi:10.1038/nrgastro.2014.46

In the version of this article originally published online and in print, the definition for PAS was listed incorrectly as para-aminosalicylic acid instead of periodic acid–Schiff in the legend for Figure 3. The error has been corrected for the HTML and PDF versions of the article.
