ERRATUM

The function of Fcγ receptors in dendritic cells and macrophages

Martin Guillelliams, Pierre Bruhns, Yvan Saeys, Hamida Hammad and Bart N. Lambrecht

Nature Reviews Immunology **14**, 94–108 (2014)

In the version of this Review that was initially published, the images in Table 2 showing the structure of FcγRIIB and FcγRIII were in the wrong order. This error has been corrected in the online HTML and PDF versions of the article. *Nature Reviews Immunology* apologizes for this error.
