CORRIGENDUM

Minimizing the damage: repair pathways keep mitochondrial DNA intact

Lawrence Kazak, Aurelio Reyes and Ian J. Holt

Nature Reviews Molecular Cell Biology **13**, 659–671 (2012)

In the above article, the sentence “This study was the first to identify a protein (YB1) involved in mitochondrial MMR” incorrectly appeared below reference 107 instead of below reference 103 (de Souza-Pinto, N. C. *et al.* Novel DNA mismatch-repair activity involving YB-1 in human mitochondria. *DNA Repair* **8**, 704–719 (2009)). This has been corrected online. The authors apologize for any confusion caused to readers.
