
CORRIGENDUM

Endocycles: a recurrent evolutionary innovation for post-mitotic cell growth

Bruce A. Edgar, Norman Zielke and Crisanto Gutierrez

Nature Reviews Molecular Cell Biology **15**, 197–210 (2014)

In the above article, reference 168 (page 210) was incorrectly cited. The citation appeared as: Tamori, Y. & Deng, W. M. Cell competition and its implications for development and cancer. *J. Genet. Genom.* **38**, 483–495 (2011). The correct citation is: Tamori, Y. & Deng, W. M. Tissue repair through cell competition and compensatory cellular hypertrophy in postmitotic epithelia. *Dev. Cell* **25**, 350–363 (2013). This has now been corrected in the online version of the article.
