
ERRATUM

NITRATE, BACTERIA AND HUMAN HEALTH

Jon O. Lundberg, Eddie Weitzberg, Jeff A. Cole and Nigel Benjamin

Nature Rev. Microbiol. **2**, 593–602 (2004)

Reference 105 was erroneously deleted from the reference list of this article and should have appeared as follows:

105. Lundberg, J. O. & Govoni, M. Inorganic nitrate is a possible source for systemic generation of nitric oxide.
Free Radic. Biol. Med. **37**, 395–400 (2004).

The online version of this article has been corrected.
