Calcium channel auxiliary  $\alpha_2\delta$  and  $\beta$  subunits: trafficking and one step beyond

Annette C. Dolphin

*Nature Reviews Neuroscience* **13**, 542–555 (2012)

On page 551 of this article, the subunit labelled ' $\beta_2\delta$ ' in figure 6 should have been labelled ' $\alpha_2\delta$ '. This has been corrected in the online version.
