Resistant hypertension—its identification and epidemiology

Pantelis A. Sarafidis, Panagiotis Georgianos and George L. Bakris

Nat. Rev. Nephrol. 9, 51–58 (2012); doi:10.1038/nneph.2012.260

In the print and online pdf versions of this article, the doi was incorrectly given as “10.1038/nrgastro.2012.260” instead of “10.1038/nneph.2012.260”. The error has been corrected online.
