

**CORRECTION**

**Osteoimmunology and the effects of the immune system on bone**

Hiroshi Takayanagi

*Nat. Rev. Rheumatol.* 5, 667–676 (2009)

In the Review by Hiroshi Takayanagi in the December 2009 issue of *Nature Reviews Rheumatology*, the effect on osteoclastogenesis of the T<sub>H</sub>1-cell-associated cytokines IL-12, IL-18 and GM-CSF was incorrectly stated as 'Stimulation' instead of 'Inhibition' in Table 1.
