
CORRIGENDUM**The genetics of bone mass and susceptibility to bone diseases***David Karasik, Fernando Rivadeneira & Mark L. Johnson**Nature Reviews Rheumatology* **12**, 323–334 (2016)

In Table 1 of this Review, the protein names and protein functions for *TNFSF11* and *TNFRSF11A* were incorrectly associated. The entries have been corrected and the protein function for *TNFRSF11A* has been clarified in the online version of the article. The authors apologize for this error.
