

Corrigendum: A miniature yeast telomerase RNA functions *in vivo* and reconstitutes activity *in vitro*

David C Zappulla, Karen Goodrich & Thomas R Cech

Nature Structural & Molecular Biology 12, 1072–1077 (2005); published online 20 November 2005; corrected after print 14 April 2006

In the supplementary information initially published online to accompany this article, the legend of Supplementary Figure 1 describes a 500-nt Mini-T RNA secondary structure model, but the model for the 436-nt Mini-T is shown. The secondary structure model for the 500-nt Mini-T has now been supplied by the authors. The error has been corrected online.

Corrigendum: Mapping the interaction surface of linker histone H1⁰ with the nucleosome of native chromatin *in vivo*

David T Brown, Tina IZard & Tom Misteli

Nature Structural & Molecular Biology 13, 250–255 (2006); published online 5 February 2006; corrected after print 18 April 2006

In the version of this article initially published, Figure 2 contained an error. Figure 2b was inadvertently duplicated from Figure 2a during preparation of the final version. The correct Figure 2b is shown here. The error has been corrected in the PDF and the HTML versions of this article.
