
Corrigendum: mRNA–mRNA duplexes that autoelicit Staufen1-mediated mRNA decay

Chenguang Gong, Yalan Tang & Lynne E Maquat

Nat. Struct. Mol. Biol. **20**, 1214–1220 (2013); published online 22 September 2013; corrected after print 4 December 2013

In the version of this article initially published, the last sentence of the Figure 5 legend reads: “Downregulation of *SOWAHC* mRNA inhibits *SOWAHC* mRNA-*CDCPI* mRNA base-pairing and thus the *SOWAHC* mRNA-mediated SMD of *CDCPI* mRNA, an mRNA that encodes a protein that inhibits cell migration and invasion.” However, “a protein that inhibits” should have read “a protein that promotes.” The error has been corrected in the HTML and PDF versions of the article.

Corrigendum: Overlapping chromatin-remodeling systems collaborate genome wide at dynamic chromatin transitions

Stephanie A Morris, Songjoon Baek, Myong-Hee Sung, Sam John, Malgorzata Wiench, Thomas A Johnson, R Louis Schiltz & Gordon L Hager

Nat. Struct. Mol. Biol. **21**, 73–81 (2014); published online 8 December 2013; corrected after print 29 January 2014

In the version of this article initially published, the ChIP-seq data were not available in a public repository. The error has been corrected in the HTML and PDF versions of the article.

Erratum: An asymmetric PAN3 dimer recruits a single PAN2 exonuclease to mediate mRNA deadenylation and decay

Stefanie Jonas, Mary Christie, Daniel Peter, Dipankar Bhandari, Belinda Loh, Eric Huntzinger, Oliver Weichenrieder & Elisa Izaurralde

Nat. Struct. Mol. Biol. **21**, 599–608 (2014); published online 1 June 2014; corrected after print 22 August 2014.

In the version of this article initially published, a rotation sign was mistakenly introduced between the two panels in Figure 1d. The error has been corrected in the HTML and PDF versions of the article.
