

Corrigendum: “Publicationism” and scientists’ satisfaction depend on gender, career stage and the wider academic system

Martin Husemann, Rebecca Rogers, Sebastian Meyer and Jan Christian Habel

Correction to: *Palgrave Communications* (2017) 3 Article number: 17032 doi:10.1057/palcomms.2017.32; Published 2 May 2017; Updated 16 May 2017

The article previously lacked some information in the Acknowledgements section.

The original text read:

Acknowledgements

The authors thank all participants for filling out our online questionnaire, and for personal feedback. They further thank the mail list administrators and societies for posting our questionnaire. Specifically we would like to thank colleagues who participated in trial runs of the questionnaire and helped to improve the survey.

This has now been updated to read:

Acknowledgements

The authors thank all participants for filling out the online questionnaire, and for personal feedback. They further thank the mailing list administrators and societies for posting the questionnaire. Specifically, they would like to thank colleagues who participated in trial runs of the questionnaire and helped to improve the survey. This work was supported by the German Research Foundation (DFG) and the Technische Universität München within the funding programme ‘Open Access Publishing’.
